

## Resume

### David K. Weidner

7070 SW Shady Lane

Tigard, Oregon 97223

503-799-4258

dave@weidner.net

### Professional Certifications:

#### Microsoft Certified Technology Specialist

*SQL Server 2008 Development*

### Education:

#### George Fox University, Newberg, Oregon

*Bachelor of Science in Management and Business Information Systems*

### Industry Experience:

Government, Financial & Banking, Freight & Logistics, Manufacturing, Casino Gaming, Fitness Clubs, Vehicle Finance, Real Estate & Mortgages, Ecommerce.

### Work Experience:

#### Oregon Department of Transportation (ODOT)

*Salem, OR, April 2010 – Present (contract)*

Rewriting a classic ASP web application in ASP.NET using C#, JQuery, and SQL Server 2005.

The existing application needed several enhancements in functionality and usability. The Microsoft Reportviewer control was used to improve printing and export capabilities, and new features have been added to allow data downloads in several formats. Several SQL Server stored procedures were needed to add the new features. Working with multiple departments to define the architecture and meet agency standards.

#### Smarsh, Inc.

*Portland, OR, September 2008 – April 2010 (full-time)*

Developed and enhanced Internet web applications using classic ASP, ASP.NET, C#, JavaScript, JQuery, and SQL Server 2008. Also worked extensively on upgrading VB6 applications used to process backend systems. Designed and developed new VB.Net applications for backend processing. Integration of ASP.NET applications with existing Classic ASP code base. Extensive development of SQL Server stored procedures, and database design.

**City of Gresham**

*OR, March 2008 – September 2008 (contract)*

Developing and enhancing Intranet web applications using classic ASP, JavaScript, and SQL Server, primarily for internal support.

**Competitive Edge**
